BITING THROUGH THE SKIN: AN INDIAN KITCHEN IN AMERICA S HEARTLAND

University of Iowa Press, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Through her journeys and her marriage to an American man whose grandparents hailed from Germany and Sweden, she learned that her family was not alone in being a small pocket of culture sheltered from the larger world. Biting through the Skin shows how we maintain our differences as well as how we come together through what and how we cook and eat. In mourning the partial loss of her heritage, the author finds that, ultimately, heritage always finds other ways of coming to meet us. In effect, it can be reduced to a 4 x 6-inch recipe card, something that can fit into a shirt pocket. It s on just such tiny details of life that belonging rests.In this book, the...
