

Getting Started in Fly Fishing

By Tom Fuller

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Getting Started in Fly Fishing, Tom Fuller, Do your wading in a brook, not a book. Can't wait to hook into your first trout? You don't have to! Unlike other beginner's books, this streamlined guide to getting your feet wet in one of America's fastest growing sports gives you just the information you need, as you need it, to get out on the stream and start flicking your fly rod - after just one hour with this book! Master angler and writer Tom Fuller keeps the reading and preparation to a bare minimum as he provides must-have information that you can take straight to the bank - of the stream, that is. Carefully sequenced to be in sync with your learning curve, and supported by numerous and detailed photographs and drawings, "Getting Started in Fly Fishing" shows you how to: assemble a start-up kit packed with everything you need and not one item more; learn essential knots and basic casting techniques fast; plan your first day of fishing; and, execute your first cast to a rising trout Hook, play, and land your first fish. Looking for more advanced coaching? You'll find...
