This item is printed on demand - Print on Demand Neuware - Studienarbeit aus dem Jahr 2009 im Fachbereich BWL - Unternehmensführung, Management, Organisation, Hochschule für Technik und Wirtschaft Chur, Veranstaltung: Corporate Social Responsibility, Sprache: Deutsch, Abstract: The following memorandum is written to provide the UEFA with social responsibility suggestions concerning the environment. Climate change is having a direct impact on UEFA s activities in the future as its organizing activities are outdoor and increasingly affected by droughts and floods and further effects of climate change. UEFA is also one of Europe s institution having one of the greatest travel expenses each year and is thus also contributing to a great extend to climate change on its own and is therefore suggested to provide an offsetting return to the environment. Furthermore, the urgency and impact of climate change deteriorates with almost every newly released environmental report and the world requires pioneers to take a leading role in fighting this problem. UEFA has greatest influence on people s behavior in and outside Europe and can therefore positively influence this behavior by setting an example. This will make people also act...
