Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.FAITH! What is saving faith, and where does it come from? I am not talking about the faith that is in every man by nature, the kind of faith that has led, and continues to lead, millions to place their trust in false gods. I am not talking about the kind of faith that cannot justify, the kind of faith that cannot save, but only serves to reveal and confirm the condemned and accursed state every man is in by nature. The faith I am talking about is the faith. That faith which is NOT in ANY man by nature. That faith which leads a man to trust only in the true God, Who He is and what He has done, for salvation. That faith which does not place its trust in false doctrines or even a mixture of false doctrines and true. I am talking about the faith which does justify, the kind of faith which converts a man from the condemned and accursed state into a right relationship with the true God. The only kind of faith that savingly believes the only Gospel there is that reveals the righteousness of Christ.
