

A Guide to the Chassevant Method of Musical Education (Classic Reprint)

Filesize: 7.31 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

(Mallory Kertzmann V)

A GUIDE TO THE CHASSEVANT METHOD OF MUSICAL EDUCATION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Guide to the Chassevant Method of Musical Education During the last ten years or so there has been, among musical educationalists, a gradual awakening to the fact that for the most part the teaching of music, which in its very nature depends upon the listening capacity, had been attempted without any special appeal to the ear. I think I do not overstate the case when I say that few grown-up persons, even after years of instrumental study and singing, can write a simple melody from dictation; and only a small proportion of those who have studied harmony can follow a progression of chords by ear. This condition of things may be partly due to the pessimistic idea, which has prevailed in the past, that some people being born with an ear for music and some without, the matter ended there. Probably, however, the true explanation is that the importance of ear training has not, to any great extent, been realised. It is no uncommon experience for a teacher to have a pupil introduced with the remark: So and so has far too good an ear. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
