Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.While waiting for a waitress at The Chesapeake Crab House, Jimmy Gallant leaned back in his chair, lost his balance and knocked an oil lamp to the deck floor, causing a stampede for the exits by the other patrons. Tall, voluptuous Mary Bauer, who was on the scene in seconds with a fire extinguisher, put the fire out, summoned the customers back to their tables and began to berate Jim. She despised sailors. He was intrigued by this peevish girl. Such was the first calamitous meeting of the two. For the next two weeks before his ship, The U.S.S. Forrestal, left for the waters off Vietnam, Jim pursued Mary with unflappable resolve. Their dates were disasters. He came to know the wrong end of a Louisville Slugger bat at the hands of her alcoholic mother. Would they ever make it as lovers?.
