

## Application of Dyestuffs: To Textiles, Paper, Leather, and Other Materials (Classic Reprint)

By J Merritt Matthews

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Application of Dyestuffs: To Textiles, Paper, Leather, and Other Materials The present volume has been the result of a comprehensive and more extended development of the author s earlier book entitled Laboratory Manual of Dyeing and Textile Chemistry. The latter was designed principally as a text-book for students, and necessarily omitted a great deal of matter of more general and practical interest. The present book, while still retaining many of the text-book features in order to adapt it to the needs of the student, has been greatly broadened in its scope so as to appeal to the interest of all those concerned in the application of dyestuffs. Dyestuffs are most largely used in the textile industries, and naturally this field has received the greatest attention at the hands of the author, but there has also been included a discussion of the use of dyes in other lines of industry; though the limitations of space, as well as the necessity of maintaining a proper balance in the subjects considered, has precluded more than a brief survey...
