Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Blood, that s all Ryan wanted. But whenever he got it he wished he hadn t; because the world just might end. Ryan has a secret, one he has no problem keeping because it s a curse. Sharing something like that wouldn t have the girls chasing you and it wouldn t win favors with anyone else either unless they had a death wish. The trick to keeping his secret; stay away from people. But that s hard to do in the modern world. Even harder when a group of teenage sorcerers kidnap you and then say that you re their savior. Not their exact words of course. Solomon s Circle, that s what they call themselves. A broken circle now that a few of them are dead. And instead of helping he might break it into smaller pieces. How can he trust these strangers when it s a man from their group they need his help against? Should he help them even though his father warned he must stay away? Will he embrace his curse to save them and himself even though some of them could die in the process?.
