AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There has never been an easier or more fun way to learn how to read. A few simply wonderful rules will empower, liberate, and inspire the young child to read like there is nothing else to do. A perfect start for the new reader or anyone that has had trouble learning to read. Working out this technique when he was 5 years new, the author has spent a lifetime pursuing all sorts of great research. Working hard to show this is a system that is so right, and describing this with computer concepts of storage, retrieval, and complexity. The author is a parish summer reading champion in first grade, in second grade, and then off to the tiny print, super long, no pics section by the third grade. Engineering, Computer Science, Business, and lots of areas short of degrees, the author has done the research, so the reader can ROCK worry-free. To the intermediate, or advanced reader: This may still offer great improvements in technique, speed, and all facets of reading and learning. This is the book to get your child started. Quickly and efficiently. In as little as one hour. Assuming they can recognize and say the letters of the alphabet: THEY CAN READ. The L.A. Reading Technique involves a less complicated system, which jumpstarts the reader quickly, and allows for the enhancements of learning grammar and comprehension later. Included is a summary of a scientific study of the efficiencies of storage, and retrieval which strives to find the simplest way to perform one of the most critical functions of our lives: READING.
