UNITED STATES NATIONAL ACTION PLAN ON WOMEN, PEACE, AND SECURITY

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The goal of this National Action Plan on Women, Peace, and Security is as simple as it is profound: to empower half the world s population as equal partners in preventing conflict and building peace in countries threatened and affected by war, violence, and insecurity. Achieving this goal is critical to our national and global security. Deadly conflicts can be more effectively avoided, and peace can be best forged and sustained, when women become equal partners in all aspects of peace-building and conflict prevention, when their lives are protected, their experiences considered, and their voices heard. As directed by the Executive Order signed by President Obama entitled Instituting a National Action Plan on Women, Peace, and Security, this Plan describes the course the United States Government will take to accelerate, institutionalize, and better coordinate our efforts to advance women s inclusion in peace negotiations, peace building activities, and conflict prevention; to protect women from sexual and gender-based violence; and to ensure equal access to relief and recovery assistance, in areas of conflict and insecurity. It is guided by the following five principles: First, the engagement and protection of women as agents of peace and stability will be central to the United States efforts to promote security, prevent, respond to, and resolve conflict, and rebuild societies. Second, by building on the goals for gender integration described in the United States National Security Strategy and the Quadrennial Diplomacy and Development Review, the United States efforts on Women, Peace, and Security will complement and enhance existing initiatives to advance gender equality and women s empowerment, ensure respect for human rights, and address the needs of vulnerable populations in crisis and conflict...
