

Keeping Bees and Making Honey

By Alison Benjamin, Brian McCallum

David & Charles. Paperback. Book Condition: new. BRAND NEW, Keeping Bees and Making Honey, Alison Benjamin, Brian McCallum, This is a comprehensive and attractive lifestyle guide to beekeeping - from finding your bees to getting them home, housing them, collecting honey and using their produce. It includes a detailed look at the history of bees and beekeeping, and an extensive introduction to help you to fully understand your bees and keep them happy. Whether you have a tiny balcony or acres of land; live in the middle of a city or in the countryside surrounded by flowers, this book caters for every situation, discussing the different types of hive available for every eventuality. It features a detailed section on gardening for bees, as well as comprehensive advice on how to safely collect your honey and wax, with recipes and ideas on how to use them. "Bees" fuses contemporary lifestyle design and an authoritative text, to appeal not only to those who already have bees, but to those who are thinking of having them or even just like the idea of having them - it will 'sell the dream'.

Reviews

Absolutely among the finest book We have at any time read through. We have read through and that i am sure that i will going to read once more again later on. I found out this book from my i and dad suggested this book to find out.
-- **Alford McClure**

I actually started reading this article ebook. It is actually packed with knowledge and wisdom Its been printed in an remarkably simple way and it is only after i finished reading this pdf where in fact modified me, alter the way i believe.
