

Shrink: On Becoming a Psychotherapist (Hardback)

By Louis B. Fierman

Blue Dolphin Publishing, United States, 2008. Hardback. Book Condition: New. 218 x 142 mm. Language: English . Brand New Book. Endorsements This book is about a spirit of love for what is alive, be it people, animals, nature; a love for creation of which we are part. It is about caring for patients, aiming at intimate communications free of judgments and directives, and establishing creative therapeutic communities. This motivating spirit is apparent throughout this modest autobiography. Our psychiatric profession has lost spirit and heart. Fierman shows us that with loving care and creative imagination we can revitalize our work and our lives. Marianne Horney Eckardt, M.D. (former president of the American Academy of Psychoanalysis and Dynamic Psychiatry) This book pursues the author's life theme, the therapist is the therapy. It does so through an autobiographical account emphasizing the life events leading to his emergence as a committed as well as gifted psychotherapist. Eugene B. Brody, M.A., M.D., D.Sc. (hon.) Editor-in-Chief, Journal of Nervous and Mental Disease, Professor and Chairman of Psychiatry Emeritus, University of Maryland, Senior Consultant, Past President and Past Secretary General, World Federation for Mental Health This book is a fascinating odyssey of a maverick psychiatrist who...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
