THE LETTER

TotalRecall Publications Inc, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Letter by Jerry Yellin confronts that quality in a novel in which two men are destined for conflict from their first meeting at age 13, continuing as one accepts his personal vision of a peaceful and inclusive God to become a rabbi while the other pursues a life of political and personal conquest that seems at first to be impossible to reconcile with his Protestant Christian faith. Religion is a comfort, if not a beacon, for Yellin s rabbi, Mark Davidson; it is a tool rather than a philosophy for Adam Flowers, a shallow politician and American Talibaptist. As a WWII fighter pilot Jerry Yellin knows a few things about threats to humanity, and this nation. In The Letter he uses his considerable insight to strike a major blow against religious bigotry, hatred, and intolerance. If you are not concerned about the invasion of American politics by religious extremists, you will be when you finish this intriguing novel. I love the book! -- Troy Evans
