

Springwatch Unsprung: Why Do Robins Have Red Breasts?

By Jo Stevens, Springwatch Team

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Springwatch Unsprung: Why Do Robins Have Red Breasts?, Jo Stevens, Springwatch Team, Which birds have the most air miles? Are adders born venomous? Springwatch Unsprung brings together all the most-asked questions from the surprise hit BBC 2 TV spin-off of the same name. The heart of the book is what has become the star of the TV programme - the viewers' anecdotes and questions. Many seemingly simple questions turn out to have complex answers, and some that seem difficult have a very simple explanation. All wildlife questions - be they trivial, idiosyncratic, baffling or strange - are covered, making this compilation equally as entertaining and enlightening as it is educational. Arranged by season, the book allows people to discover what is going on around them at any particular time of year. The book is peppered with elements from the Unsprung TV programme such as quizzes, wildlife suggestions for each season, and practical ideas of how to preserve wildlife in your garden. Each seasonal section comprises: * A short introduction to the season including what the wildlife-watcher might expect to see at this time of year * Questions and answers drawing on the...

Reviews

It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.

-- Prof. Evans Balistreri DDS

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lydia Legros
