PASTORING WITH ELDERS

Word Alive Press, United States, 2012. Paperback. Book Condition: New. 216 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.Kevin Mahon is a preaching elder ministering within a very effective shepherding-eldership model. These elders have had a growing influence on some other fellowships and associations, and have been asked to come and share their shepherding-elder model. They are often asked, How do you grow Elders? Many pastors are looking for another program or a quick fix to answer this questions and accomplish this goal. They are not realizing that the answer is rooted in their theology of ministry, and their need to focus on their Biblical mandate, rather than the tyranny of expectations inherent in pastor-led churches. This manual, for Senior Pastors, Elders and church leadership, is primarily intended for the preaching pastor to walk through, in order to deconstruct their understanding of ministry and introduce them to they why and how of ministering within a plurality of elders. About the Author: Kevin Mahon has been the preaching elder at Peoples Church, Sarnia-Lambton, Ontario, for the past 13 years. At the age of 12, he made a bargain with God promising to become a priest. He and his wife were Twice Born during their University days and joined the priesthood of all believers. God is faithful and shepherded his youthful promise towards making his living from the Gospel, as a preaching pastor, for 21 years. Kevin s heart is for the local church, in the preaching of God s Word, and in growing men, as disciples of the Lord. He has been married to Charlene for 26 year s and has 5 children and a daughter-in-law!.
